What do AA Grapevine and La Viña Reps do?**

"The group Grapevine representative (GvR) or the La Viña representative (RLV) is the person who, every month, brings the home group that special mix of inspiration, personal stories, history, humor, and diverse opinion we all know as the AA Grapevine or La Viña. The GvR/RLV makes sure that copies are available and displayed at meetings and lets everyone know what's in the latest issue. Grapevine and La Viña reps at the group, district, and area level play an important role in the AA service structure, helping to carry the message of AA to the alcoholic who still suffers.
