

AREA 64 ASSEMBLY
OF
ALCOHOLICS ANONYMOUS
SERVICE MANUAL

November 2023

I am responsible. . .
When anyone, anywhere
reaches out for help, I want
the hand of A.A. always to be there.
And for that: I am responsible.

A Declaration of Unity
This we owe to A.A.'s future:
To place our common welfare first;
To keep our Fellowship united.
For on A.A. unity depends our lives,
And the lives of those to come.

AA

Alcoholics Anonymous is a fellowship of men
and women who share their experience,
strength and hope with each other that they
may solve their common problem and
help others to recover from alcoholism.

The only requirement for membership is a
desire to stop drinking. There are no dues or
fees for AA membership; we are self-
supporting through our own contributions.
AA is not allied with any sect, denomination,
politics, organization or institution;
does not wish to engage in any controversy,
neither endorses nor opposes any causes.
Our primary purpose is to stay sober and
help other alcoholics to achieve sobriety.

The Twelve Steps

1. We admitted we were powerless over alcohol— that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

The Twelve Traditions

- 1.** Our common welfare should come first; personal recovery depends upon A.A. unity.
- 2.** For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- 3.** The only requirement for A.A. membership is a desire to stop drinking.
- 4.** Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
- 5.** Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.
- 6.** An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
- 7.** Every A.A. group ought to be fully self-supporting, declining outside contributions.
- 8.** Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
- 9.** A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
- 10.** Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
- 11.** Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
- 12.** Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

The Twelve Concepts (Short Form)

1. Final responsibility and ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.
2. The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole society in its world affairs.
3. To ensure effective leadership, we should endow each element of A.A.—the Conference, the General Service Board and its service corporations, staff, committees, and executives—with a traditional “Right of Decision.”
4. At all responsible levels, we ought to maintain a traditional “Right of Participation,” allowing a voting representation in reasonable proportion to the responsibility that each must discharge.
5. Throughout our structure, a traditional “Right of Appeal” ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration.
6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.
7. The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.
8. The trustees are the principal planners and administrators of over-all policy and finance. They have custodial oversight of the separately incorporated and constantly active services, 2 exercising this through their ability to elect all the directors of these entities.
9. Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.
10. Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.
11. The trustees should always have the best possible committees, corporate service directors, executives, staff, and consultants. Composition,

qualifications, induction procedures, and rights and duties will always be matters of serious concern.

- 12.** The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government; that, like the Society it serves, it will always remain democratic in thought and action.

**STRUCTURE OF
AREA 64 OF ALCOHOLICS ANONYMOUS**

Structure of the Area 64 Assembly of Alcoholics Anonymous

PREAMBLE

The Area 64 Assembly of Alcoholics Anonymous shall always be a service body and shall protect and respect the autonomy and privilege of dissent of all A.A. groups in General Service Conference Area 64. In the course of its deliberations and discussions, the Assembly shall be ever mindful of the ideals expressed in the Twelve Traditions, the Twelve Concepts and the A.A. Service Manual, and shall strive to be the true voice and group conscience of Area 64 A.A. Unity and service shall ever be the Assembly's primary purpose, and it shall encourage all Area 64 A.A. groups to participate in the business of the Assembly and to support the Assembly in its efforts to cooperate with the A.A. General Service Office and A.A. World Services. The Assembly is specifically charged with the duty of electing a delegate to the General Service Conference and to give the delegate financial support to assist him or her in the course of the duties of the office. The Assembly is further charged with electing an alternate delegate to the General Service Conference, and to elect such Assembly officers it deems necessary.

Area 64 Service Manual

A.A. Traditions say that our program should never be “organized”, should always remain nonprofessional. Also, that there is no “authority” except that which expresses itself through the group conscience. Our belief in these principles has worked wonders for our fellowship in guiding its growth away from “bigness and power”.

The same Traditions (two, eight & nine) then go on to provide for the setting up of service centers, with special workers and service boards and committees all responsible to those they serve.

The only authority then, is that which is first expressed in the group conscience and which is then communicated by the groups to A.A. as a whole through GSRs, DCM’s, and Delegates. Here is where the idea of the conference structure begins.

The Area 64 Assembly is part of the conference plan. “What is the conference plan?” It is a method by which A.A.’s collective group conscience can speak forcefully and put its desires for worldwide services into effect. It is the structure that takes the place of government in A.A. It ensures that the full voice of A.A. will be heard, whether it represents the great majority or a minority. The conference plan was established as a guarantee that our movement-wide services would continue to function under all conditions. The plan provides a practical successor to the founders of A.A.

The conference plan, or the Third Legacy Plan, was originally set up in 1950 by Bill W. and Dr. Bob. It was confirmed on July 3rd, 1955 in St. Louis on the occasion of the Second International Convention. Bill W. took great pains to explain that the plan was purely suggestive and traditional, not a body of rules or laws. It has served the fellowship well since 1955 and no doubt will continue to do so.

Assemblies

Any meeting of the Area GSRs and the Area Committee (DCM’s and Area Officers) is an Assembly. The Area Assembly is the main spring of the conference structure—the democratic voice of the movement expressing itself. Assemblies are the responsibility of the Area Committee and are conducted by its Chairperson (from the A.A. Service Manual).

The following pages are the combined experiences and group consciences of the Area 64 Assembly, begun in 1967 and continuing to the present. (See the list page of this manual for Correction and Amendment dates.

For the purpose of Assembly Officer elections only, the Alternate Secretary will have a vote. Nominations come from the floor. The first candidate to receive one half the total number of votes plus one or more votes is elected. After the first ballot (assuming no candidate receives the necessary majority on the first ballot) all candidates except the top two candidates will be withdrawn automatically. (In case there are ties for second place, the top candidate and tied second place candidates remain). After the second ballot, if no candidate has a majority of the total vote and no election occurs by this time, the chairperson announces the choice will be made by lot (from the hat). Lots are then drawn by the teller, and the first one "out of the hat" becomes the Secretary. This procedure is repeated to elect the Alternate Secretary.

The Alternate Treasurer, in the event he or she is a non-voting member of the Assembly, is eligible for the position of Treasurer. The first candidate to receive one half the total number of votes plus one or more votes is elected. After the first ballot (assuming no candidate receives the necessary majority on the first ballot) all candidates except the top two candidates will be withdrawn automatically. (In case there are ties for second place, the top candidate and tied second-place candidates remain). After the second ballot, if no candidate has a majority of the total vote and no election occurs by this time, the chairperson announces the choice will be made by lot (from the hat). Lots are then drawn by the teller, and the first name drawn is elected.
- J** The Assembly may remove the Delegate, Alternate Delegate, or any Assembly Officer from the duties of the office for just cause including, but not limited to, breaking of the

sobriety date. The removal is by secret ballot and requires a two-thirds (2/3) majority.

The Area Committee will report to the next Quarterly Assembly with its recommendation, including any minority report. The groups in the District determine the geographic boundaries of the new Districts. The designation of new District numbers is determined by the Assembly Chairperson and the DCMs involved.

- B** The District elects committee members from its membership and from among interested and qualified AA's in the District.
- C** Each Standing Committee elects one of its members as Chairperson, and that Chairperson serves on the Assembly Standing Committee.

XII. DISTRICT ELECTIONS

- A** Each group in the District elects a GSR on or before September 1 of each odd year. The term of service is two (2) years beginning the next even year, January 1.
- B** The elected GSR's of the District, at the District's September meeting in each odd year, elect one of their members as the DCM. It is suggested that the procedures outlined in The AA Service Manual, Chapter III be followed. The term of service is two (2) years beginning the next even year, January 1.
- C** The DCM notifies, in writing, the Assembly Chairperson and Assembly Secretary of the name and address of the new DCM as well as the name, address and groups represented by all new GSR's and any new group formed in the District and/or any inactive groups.
- D** Each Group and/or District, at its discretion, can replace an elected GSR or DCM with an announced election, in the spirit of the Fourth Tradition.

XIII. AMENDMENTS

- A** All proposed amendments to this Service Manual are submitted in writing to the Area Chairperson with a copy to the Delegate not less than forty-five (45) days prior to the next Quarterly Assembly. A proposed amendment is submitted by a GSR only. Said amendment will have the submitting group's approval and be signed by the GSR and other group officers. Their positions and names shall be printed out under their signature.
- B** The Chairperson includes the proposed amendment, as submitted, on the Agenda for the next Quarterly Assembly meeting. A copy of each amendment will be included with the minutes of the previous Assembly. Copies will also be available at the registration table at the next Quarterly Assembly.

- C It is suggested that the proposed amendment be included on the agenda of the GSR/DCM meeting for discussion prior to the regular business meeting. (Concept XII, Warranty Four)
- D A two-thirds (2/3)-majority approval of the quorum constitutes the adoption of the amendment. (Concept II and Concept III)
- E A simple majority approval vote suggests that the proposed amendment be referred to an ad hoc committee for further study. It is further suggested that the ad hoc committee make its report at the DCM/GSR sharing session at the next Quarterly Assembly for discussion, prior to the Assembly business meeting. A final vote is taken at the business meeting.

Summary of Area 64 Assembly Business Meeting Procedures

Generally speaking, the Area 64 Assembly Business Meeting follows Robert's Rules of Order and proceeds on as informal a basis as possible consistent with the rights of all concerned. It is important to remember that the purpose of rules of order is to make it easier for the Area 64 Assembly to conduct its business; rules exist to allow the Area 64 Assembly to do what it needs to do to carry out the will of the Fellowship by reaching an informed group conscience. The Area 64 Assembly has adopted some exceptions to Roberts Rules, which help it to proceed more closely in accord with the spirit of A.A. Tradition.

Committee System

To the extent possible, matters to come before the Area 64 Assembly Business Meeting will be handled via the "Committee system." This ensures that a large number of questions can be dealt with during Area 64 Assembly Business Meeting. Each Committee considers carefully the items before it and presents its recommendations to the Area 64 Assembly as a whole for acceptance or rejection. Recommendations of Area 64 Assembly committees are automatically motions that have been made and seconded. Assembly Voting Members are urged to resist the temptation to edit recommendations on the floor.

Substantial Unanimity

Any actions, including amendments, that affect the Structure or motions that might result in such an action on financial matters require substantial unanimity, that is, a two-thirds majority. Because the number of members present in the hall during the meeting varies from time to time, the phrase "two-thirds majority" is taken to mean two-thirds vote of the Assembly Members voting.

Minority Opinion

After each vote on a matter of policy or any other motion required to have substantial unanimity to pass, the side which did not prevail will always be given an opportunity to speak to their position. If the motion passes with a two-thirds vote, the minority may speak. If the motion receives a majority vote but fails to pass for lack of a two-thirds vote, the majority may speak. After each vote on any and all other Motions the Minority will be given a chance to speak. Remember that saving "minority opinions" for after the vote, when there is no rebuttal, is a time-waster, for it can force the Area 64 Assembly body to reconsider a question that might well have been decided the first time around if it had been thoroughly examined from all sides.

General Rules of Debate and Voting

(Agreed to at the beginning of each Area 64 Assembly Business Meeting)

- People who wish to speak, line up at the microphones and are called on to share, in order.
- Each person may speak for 2 minutes.
- No one may speak for a second time on a topic until all who wish to, have spoken for the first time.
- Full discussion of a recommendation should take place before each vote.
- Everyone is entitled to, and should, express his or her opinion. However, if your perspective has already been stated by someone else, it is not necessary to go to the mic and say it again.
- Premature actions (e.g. amending motions early in the discussion or hastily calling the question) can divert attention from the subject at hand, thus confusing and/or delaying Area 64 Assembly Business Meeting business.

AREA 64 ASSEMBLY SUGGESTED GUIDELINES

Roll Call Vote

A roll call vote may be requested by any Assembly Voting Member.

- Must be made in order at the microphone
- Must be made without comment
- Requires a second

- Must be made without comment
- Requires a second
- Is not debatable
- Needs only a simple majority to pass

- Must be made in order at the microphone
- Must be made without comment
- Requires a second
- Is not debatable
- Requires two-thirds vote to pass

Reconsideration

A motion to reconsider a vote may be made only by a voting member who voted with the prevailing side, but it can be seconded by anyone.

- Only a simple majority is required
- If the majority votes to reconsider, full debate, pro and con, is resumed. (Members are urged to limit discussion to new considerations of the question under debate.)
- No action may be reconsidered twice

Motions from the Floor

Motions may be introduced by any voting member whenever appropriate or during New Business and:

- Must be made without comment
- Requires a second
- Full discussion of a Motion should take place before each vote

GUIDELINES FOR ASSEMBLY EXPENSES AND CONTRIBUTIONS

The Area 64 Assembly Guidelines below are compiled from the experience of Area 64 members. They also reflect guidance given through the Twelve Traditions and the General Service Conference (U.S. and Canada). It is the responsibility of the Area 64 Assembly to support its elected service representatives and workers. While it is certainly up to the group conscience, many A.A. members seem to agree that no one should be excluded from service because of finances. Some service workers' expenses come out of their own pocket, while others are reimbursed.

ASSEMBLY EXPENSES

Delegate

The Area Delegate will be given, upon arrival at each quarterly assembly, an amount as noted in the budget. The extra amount is to help defray the additional costs of serving as Delegate. The Delegate shall be advanced an amount as noted in the budget, to attend the Southeastern Conference, the annual Southeast Delegate meeting, the Southeast Regional Forum (meets every two years), and the Area 64 convention. These expenses are not to exceed the amount as noted in the approved budget. Any expenses above the budgeted amounts as shown in the approved budget must be submitted, along with receipts, to the budget and finance committee for approval.

Alternate Delegate

The Alternate Delegate will be reimbursed expenses to attend the annual Southeast Delegate Meeting. This is a budget amount. Expenses in excess of the budgeted amount shall be referred to the Area Assembly Budget & Finance Committee for approval.

Assembly Officers

The Alternate Delegate, Area Treasurer, and Area Secretary will be given upon arrival at each quarterly assembly an amount as noted in the budget to help defray the cost of attending and serving as trusted servants. All expenses above that budgeted amount per quarter must be submitted to the Budget & Finance Committee for approval. Receipts reflecting additional expenses must be submitted to the Area Treasurer on a quarterly basis. The Area Chairperson will be given, upon arrival at each quarterly assembly, an amount as noted in the budget. The extra amount is to help defray the additional cost of serving as Area Chairperson. All expenses above the budgeted amount per quarter must be submitted to the Budget & Finance Committee for approval. Receipts reflecting additional expenses must be submitted to the Area Treasurer on a quarterly basis. The Alternate Delegate, Area Chairperson, Area Treasurer, and Area Secretary will be reimbursed expenses to attend the Southeast Regional Forum which meets every two years. This expense is noted in the budget.

Area Standing Committee Chairperson

The Chairpersons of the six standing committees will be given, upon arrival at each quarterly assembly, an amount noted in the budget to help defray the cost of attending and serving as trusted servants. In the absence of the chairpersons, the alternate chairpersons will be reimbursed. The outgoing chairpersons will be paid at the first quarterly assembly of the even year (year of the election of new chairperson).

Standing Committee Expenses

All standing committees will present an annual budget based on the past four year's expenditures to the budget and finance committee for the assembly body to vote on. Budgets with major fluctuations (over 10% from past budgets) will include a detailed explanation for the fluctuation. Each standing committee will maintain an operating fund that is developed by the standing committee and

approved by the assembly body. Funding for the standing committee ought to come primarily from the approved budget. Contributions received outside the approved assembly budget will be included in the assembly reports by the chairperson. Each standing committee shall present its annual budget at the second quarter assembly for the following year, allowing time for the budget and finance committee to prepare the entire proposed budget for the assembly body.

Area Assembly Expenses

There will be a budgeted amount for the following Area Assembly Expenses: Delegates trip to the General Service Conference, Area Office Rent, Area 64 Convention Advance, Printing & Postage, Corporate Charter, Memorials and Budget & Finance Committee expenses. These expenses will be paid by the Area Treasurer. Any Area 64 Assembly expenses, other than budgeted, will be submitted to the Budget & Finance Committee for review and recommendation to the Assembly for final approval or disapproval. The Area body shall take no actions which are against the laws of the State of Tennessee and/or the United States Government including laws that prohibit lotteries as defined as the selling of anything of value for prizes on a chance or stake including but not limited to bingos, raffles, and drawings.

Return of Residual Monies

The Area 64 Service Manual specifies that all Area 64 Convention residual monies be returned to the Area treasury by the host committee with recommendations for disbursement. It is hereby suggested that all residual monies from our quarterly assemblies be turned over to the Area Treasurer with recommendations for disbursement. This is due to the fact that the assembly has in the past paid any expense shortage experienced by an assembly host committee.

Assembly Contributions

Assembly contributions will be accepted from Groups; Districts; Area Assemblies; Area 64 Conventions; Tennessee Conference of Young People in A.A.; "A.A. Conferences, Conventions and Roundups" which meet the criteria of A.A. Guideline #MG-04 as an A.A. event put on by A.A.s for A.A.s and about A.A., and with the primary purpose to carry the A.A. message; and A.A. members
